

MARK LIVINGSTONE

**Cornerstone First Financial – “The Voice”
of the Mortgage Industry in the DMV**

After years in the industry and recognizing a need for an ethics driven mortgage lender, Mark Livingstone started Cornerstone First Financial in 2001. Cornerstone First Financial is unique due to their platform in radio and podcasts. Starting on radio prior to the implosion in 2006 and now on over seven stations, Mark learned the trade through trial & error and has succeeded in becoming “the voice” of the mortgage industry in the DMV. Mark has been a volunteer firefighter for 16 years and serves weekly in Montgomery County MD. Working with first responders made it important to him to find programs designed to help these heroes in ways that other companies don’t. Cornerstone First is a full-service lender with the ability to place loans that other companies cannot. If Cornerstone can’t do it, no one can. NMLS ID# 183265
